## DEFINITIONS

### Politically exposed person (PEP):

A politically exposed person means a natural person who is entrusted with prominent public functions as:

- a head of State, head of government, minister, deputy or assistant minister
- as a Member of Parliament
- a member of the governing bodies of political parties
- a member of supreme courts, constitutional courts or other corresponding judicial bodies whose decisions are not eligible for review, except in exceptional cases
- a member of courts of auditors or of the highest decision-making bodies which audit the financial management of the State and are equivalent to national audit offices
- a member of the boards of directors of central banks
- an ambassador or chargé d'affaires
- an officer in the armed forces holding the rank of general or higher
- a member of the administrative, management or supervisory bodies of a wholly state-owned or state majority-owned enterprise or unincorporated state enterprise in a company other than a company whose securities are admitted to trading on a regulated market referred to in chapter 1, section 2 of the Act on Trading in Financial Instruments
- As a head, deputy head, or member of the board or equivalent of an international organization or the office of an international organization.

### The family member of a politically exposed person is:

- a spouse or partner deemed to be a spouse in the national legislation of the country concerned,
- children and their spouses or partner referred to above
- and parents.

### Associates of a politically exposed person means:

- any natural person known to be the true joint owner and beneficiary of the Communities or traders or legal arrangements or who is known to have any other close business relationship with a politically exposed person and
- all natural persons who are the sole beneficial owners and beneficiaries of entities or businesses or legal arrangements known to have been effectively created for the benefit of a politically exposed person.
